

# Why your customers need the HPC Mortise Cylinder Lock Tap & Die Kit

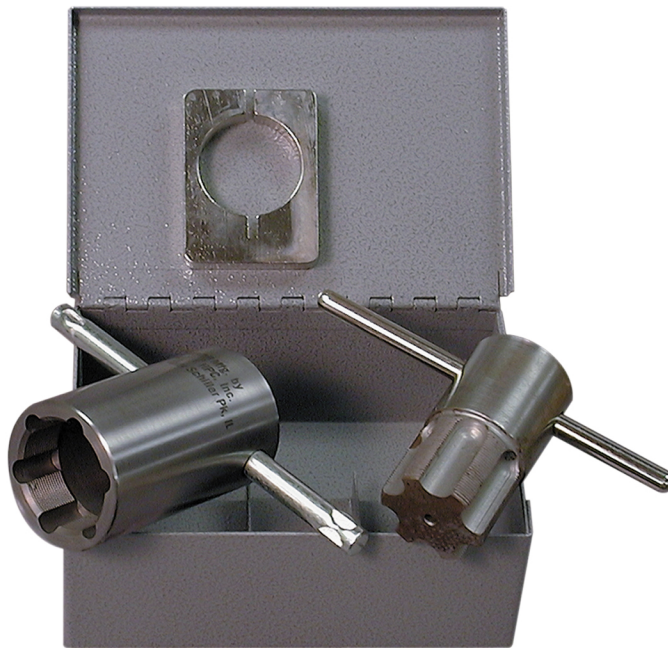

When servicing mortise cylinders, your customers frequently encounter stripped threads on the cylinders and lock cases. Instead of replacing parts, they need an effective method to make repairs.

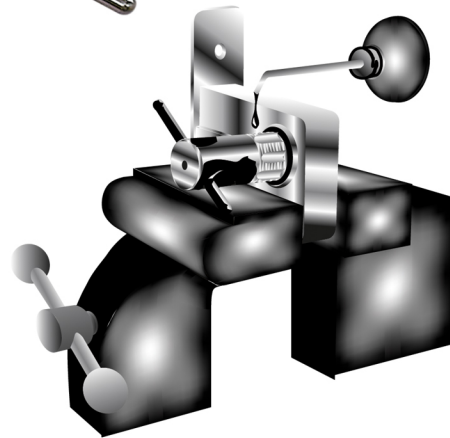

## How to sell the HPC Mortise Cylinder Lock Tap & Die Kit

### Key Selling Points:

- \* Re-cuts damaged threads in lock cases
- \* The holding fixture secures the stripped cylinder while the die cuts new threads.
- \* The kit comes in sturdy metal box for organization and protection of the components.
